Subject: Revised Freight Terms

Effective May 1, 2012, CANTEX will be revising its prepaid pipe and fittings freight terms to the following:

\$7,000.00 – Pipe

\$1,500.00 – Fittings

- **Stock shipments must meet the individual prepaid pipe and fittings terms as listed above.**
- Direct job shipments maybe a combination of pipe and fittings to acquire a prepaid shipment at \$7,000.00.

The change in freight terms is a result of rapidly increasing fuel costs and new government restrictions imposed on the carriers.

We appreciate your support and look forward to servicing your PVC requirements in the future. Should you have any questions or concerns, please contact your local CANTEX Representative or CANTEX directly.
