Subject: Conduit Price Increase

The cost of resin has increased 5 cents over the past 10 months while prices have declined dramatically over the same period. This ongoing trend requires that we implement a price increase for PVC conduit.

CANTEX will be implementing the attached PVC conduit increase effective November 11, 2024.

All orders at our existing prices must be placed by the close of business on Friday, November 8, 2024.

We appreciate your support, and we look forward to a strong finish to the year. If you have any questions or concerns, please contact your local CANTEX representative or CANTEX directly.

Regards,
